Alpine Soul

FALL WINTER 2025

Strong and full of character: amidst snow-capped peaks and summits, Alpine Soul unfolds, revealing the deepest winter spirit.

Cross-stitch, once the preserve of grandmother's tablecloths, takes on a whole new flavor. Between classic subjects and fresh geometric patterns, the home warms and welcomes us.

Classic motifs, both seasonal and otherwise, are aplenty, always ready to raise a smile and decorate the home with elegant charm. In the Christmas offerings, innovation and tradition blend for the most festive of holidays. |

Immerse yourself in the Alpine spirit and rediscover the pleasure of hospitality.
