

HERI TAGE land

FALL WINTER 2026

The heritage of our traditions, set against the evocative backdrop of historic homes par excellence: the English heath.

With this collection, we have remained true to one of our core principles: paying tribute to tradition by interpreting it with innovation.

We have gathered and reimagined the typical elements of this land – a blend of country style and timeless elegance – giving them a modern twist.

Floral motifs intertwine with clean geometric lines, whilst warm, enveloping colour palettes are combined with playful details.

And where the mist lifts, wildlife peeks through: another heritage worth preserving.

Heritage Land invites you to rediscover classic aesthetics, celebrating the past and timeless craftsmanship through innovation.

Today, tomorrow, always: timelessness is the best season.
